

Employee Time Off Policy

Version 2.0 | Effective date: January 1, 2025

1 Purpose and Applicability

This version governed eligible regular full-time employees from January 1, 2025 through December 31, 2025. It is retained for historical questions and does not replace the current Employee Time Off Policy.

2.1 Annual Vacation Entitlement

During the 2025 policy period, eligible employees received 18 paid vacation days per calendar year. Employees joining during the year received a prorated balance. Vacation was taken in half-day or full-day increments.

2.2 Request and Approval

Employees submitted vacation requests through the HR portal at least 10 business days before the planned start date. The line manager had to approve the request before the leave began.

2.3 Carry Forward

Up to 5 unused vacation days could be carried into 2026 and were expected to be used by March 31, 2026. This historical rule was superseded by Version 3.0 effective January 1, 2026.

3 Policy Change Record

Version 3.0 increased the annual entitlement from 18 to 20 days for the 2026 policy period. Questions about 2025 must use this Version 2.0 document.
